Giannarelli

MEMORIALS

“ A monument, like a will, is a validation of one’s life. It says that you were here, that you lived in a period of human history. A cemetery is a validation of the existence of a society.

Author Mario Giannarelli

Restorations & Renovations

Whether you require restoration of a neglected vintage monument, or renovation or upgrade of an existing memorial, GIANNARELLI MEMORIALS has the knowledge and expertise to restore your loved one's resting place back to its original glory.

Memorials

Our personal attention to detail has built our strong reputation of providing beautiful memorials as a lasting tribute to your loved one. Based locally in Melbourne we offer a very personal service, tailor making all our headstones to specific requirements.

As stone merchants, we supply an extensive range of granite, marble, sandstone, quartzite and bluestone. Our broad variety of stone types are sourced both locally and internationally.
